

Decision Making, Public Participation, and Fairness

Session 13, Day II

Questions for Consideration

- How adaptation decisions are made?
 - Do we know whether to label a problem as adaptation problem or not?
- Are the typical processes by which adaptation is governed fair?
 - How to ensure fairness in decision making?
- Is participation and representation of vulnerable groups sufficient?
 - How to ensure sufficient participation of vulnerable groups?
- Are rights to adaptation being respected and access to justice provided to all social groups?
 - Is adaptation a rights issue?
