

ASIA-PACIFIC CLIMATE CHANGE ADAPTATION FORUM 2014, 1 – 3 OCTOBER 2014
PWTC

Transportation between Airports and Putra World Trade Centre (PWTC)

1. KUALA LUMPUR INTERNATIONAL AIRPORT (KLIA)

Kuala Lumpur International Airport (KLIA) is the main aviation hub in Malaysia. It is located in Sepang district, in the southern part of the state of Selangor bordering Negeri Sembilan, approximately 50 km from the capital city, Kuala Lumpur.

Most international flights arrive at Terminal C which is located at the Satellite Building of KLIA. An aerotrain provides a complimentary shuttle service for passengers between the Main Terminal Building and the Satellite Building every 3 – 5 minutes. The aerotrain takes just about 2 minutes to travel into a tunnel that runs underneath an airport taxiway and into the Satellite Building.

For more information about KLIA, please visit the following link www.klia.com.my

Please take note of the options for transportation from the KLIA to the forum venue, PWTC, and back to KLIA. Please note that travel duration may vary depending on intermediated stop and traffic conditions.

Option 1: Airport Taxi / Limo

Upon arrival at the KLIA, the authorised airport taxi counters can be found at the Arrival Hall, Main Terminal Building after Customs, before the public arrival waiting area. If you disembark at the Satellite Building or the Terminal C, please take the aerotrain to reach the Main Terminal Building.

The airport taxi service is operated by Airport Limo (M) Sdn. Bhd. Taxi fares are charged according to destination and the type of taxi or limo required. There are 4 types of airport taxi available to choose from:

Type of Taxi / Limo	Capacity (depending on the car model)
Budget Taxi	3 – 4 passengers only
Premier Limo	4 to 5 passengers only
Super Luxury	3 passengers only
Family Service	8 passengers only

Source: www.klia.com.my

Please tell the person in charge your destination (e.g. PWCT). You will then be quoted the corresponding taxi fare. Upon paying the fare, a coupon and receipt will be issued and you should then proceed to the dedicated pick-up point or taxi-stand which is usually located at Door 3 on the same level. No further charges need be paid to the taxi driver.

3 days prior to the arrival and additional surcharge of RM30 will be imposed. Please contact (Tel) +603 8787 368 or (Fax) +603 8787 3588 for the service.

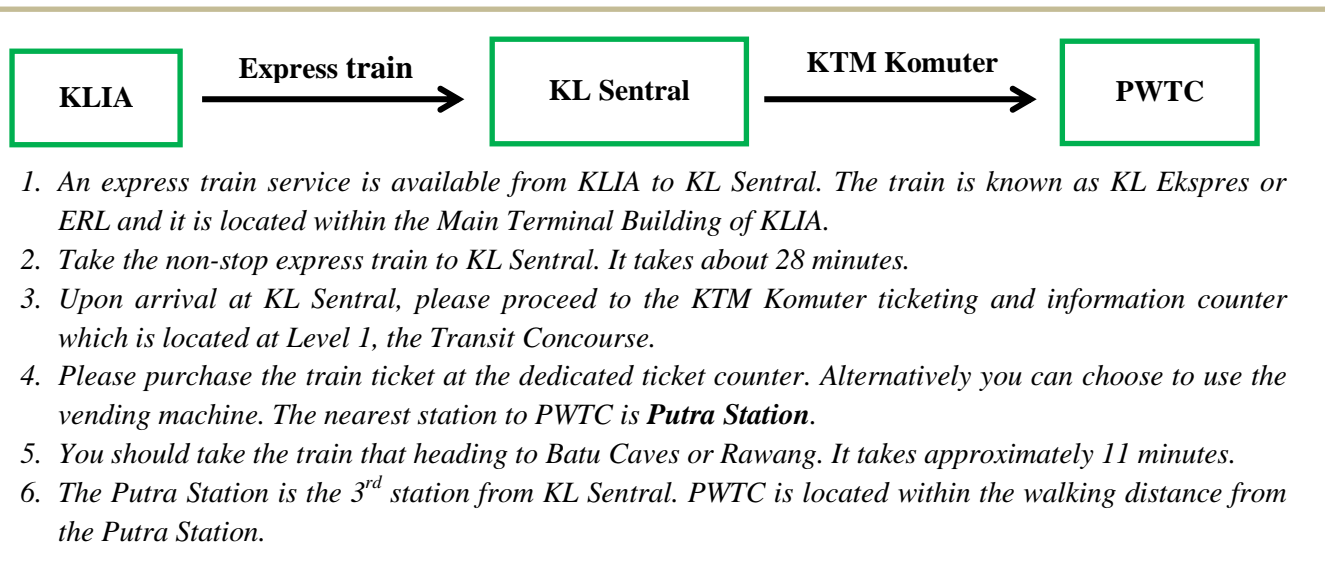

For more information on the services provided by Airport Limo (M) Sdn. Bhd. please visit the following web-page <http://www.airportlimo.my/aboutus.php#>

PWTC

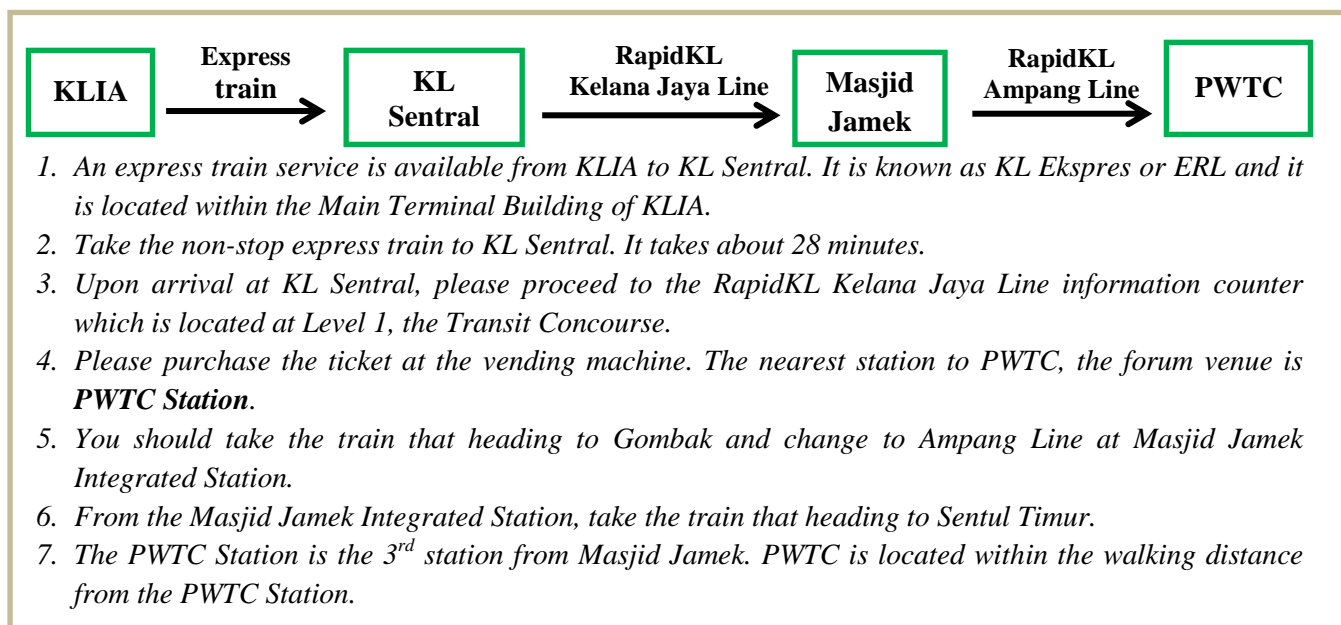

Option 2: Train

There is no direct train service from KLIA to PWTC. Participants who wish to take the train service may refer to the suggested train connection below. KL Sentral Station will be the 1st transportation hub after leaving KLIA.

Option A: By KTM Komuter

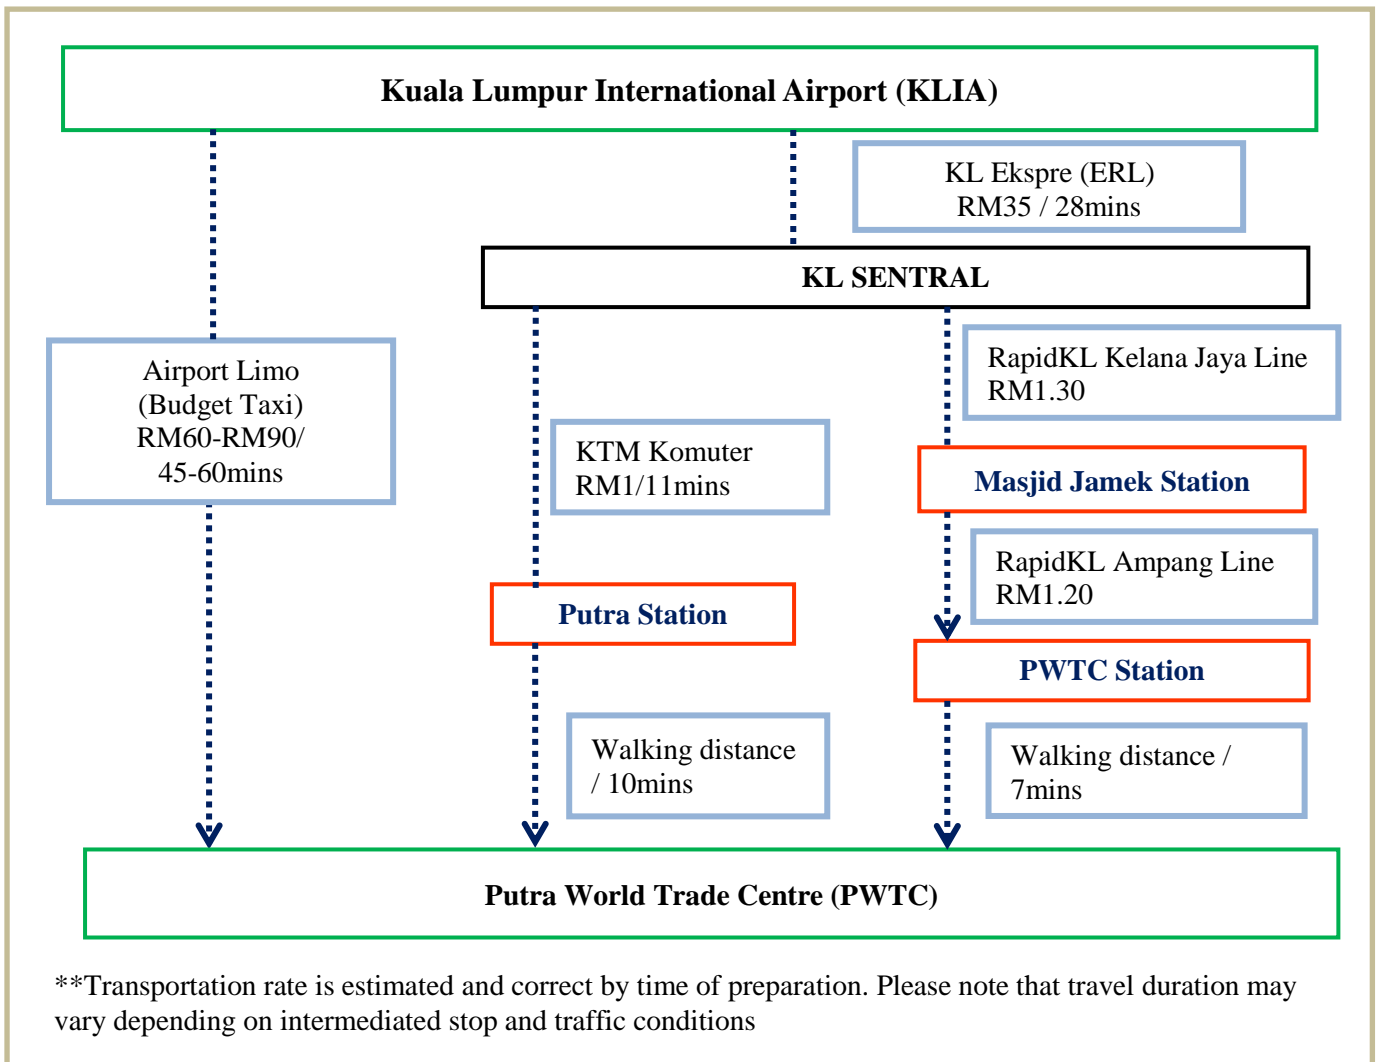

Option B: By MyRapid

Note: The train services provided by KTM Komuter and RapidKL to PWTC stop at different stations. In either case, these stations are within walking distance to PWTC. Please note that travel duration may vary depending on intermediated stop and traffic conditions

1.1 Transportation between KLIA and PWTC – In Summary

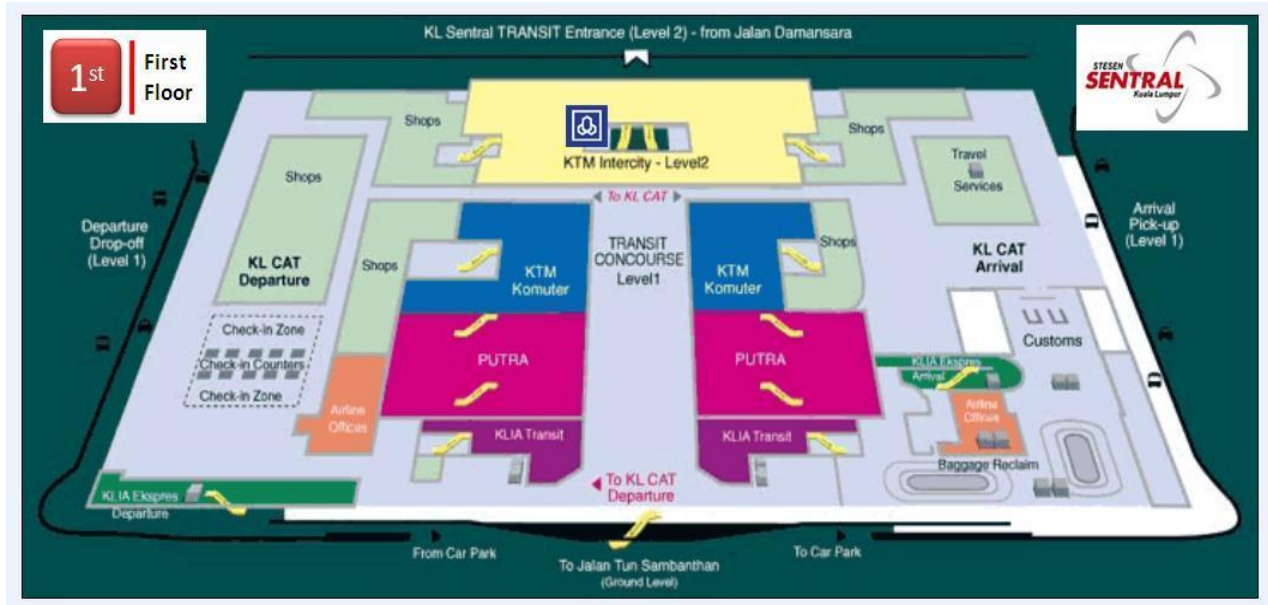

2. KLIA 2

KLIA 2 is a newly constructed airport that takes over the Malaysia Low Cost Carrier Terminal (LCCT). It operation starts in May 2014 and more information about it will be announced shortly.

3. KL Sentral Station

KL Sentral Station is a transportation hub that integrates rail transportation in Kuala Lumpur. A total of 6 rail networks are available. They are KLIA Express Rail Link, KTM Komuter, KTM Intercity Trains, Electric Train Service, RapidKL Rail and KL Monorail. Within the station, there are variety of retail and commercial shops and offices, such as convenient stores, pharmacies, bank, money changers, telecommunications, and ticketing counters (airlines/buses/trains). In addition, there are restaurants and cafés offering variety of food and beverage.

Do's and Don't when You are in a Train

The following rules are applicable to all public transportation in Malaysia.

Dilarang / Prohibited

Merokok	Makan & Minum	Membuang Sampah	Mengunyah Gula-Gula	Berkelakuan	Membawa Barang	Membawa Binatang
Merokok	Makan & Minum	Membuang Sampah	Mengunyah Gula-Gula	Berkelakuan	Membawa Barang	Membawa Binatang

Kerjasama anda amat dihargai jika? **We would appreciate it if**

- Anda penuhi ruang tengah untuk laluan kepada penumpang lain menaiki tren.
You move to the middle of the car to allow others to board it.
- Anda berarkan penumpang keluar terlebih dahulu.
You make way for passengers to disembark.

KTM Komuter is the 1st and only train company that offers Ladies Coach in Malaysia. Ladies Coach is a coach specially reserved for lady passengers at all times including weekends and public holiday days. The Ladies Coach is the middle coach of each KTM Komuter train set. The Ladies Coach can easily recognised by its pink colour icon. Special stickers are attached on windows and doors on board and on the external of the train. At KTM Komuter stations, designated waiting areas are painted in pink for ladies.
